Jim

Dear Neighbors,

These are tough times and they require **real** solutions. I'm Jim King, a strong Democrat, and I'm running for Mayor because I believe that I can best meet these tough challenges. As a business owner and member of the Metro Council, I'm prepared to lead Louisville. My wife Debbie and I have roots that run deep throughout this community. I want to create jobs, fight crime, strengthen our neighborhoods, make government more accessible and accountable and make Louisville an even better place to raise a family.

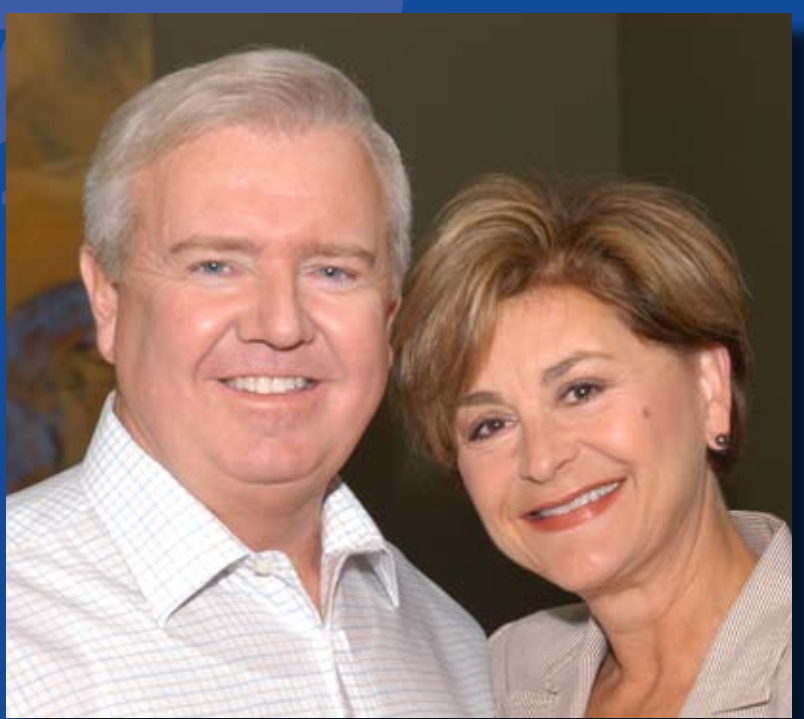

I want to earn your vote!
